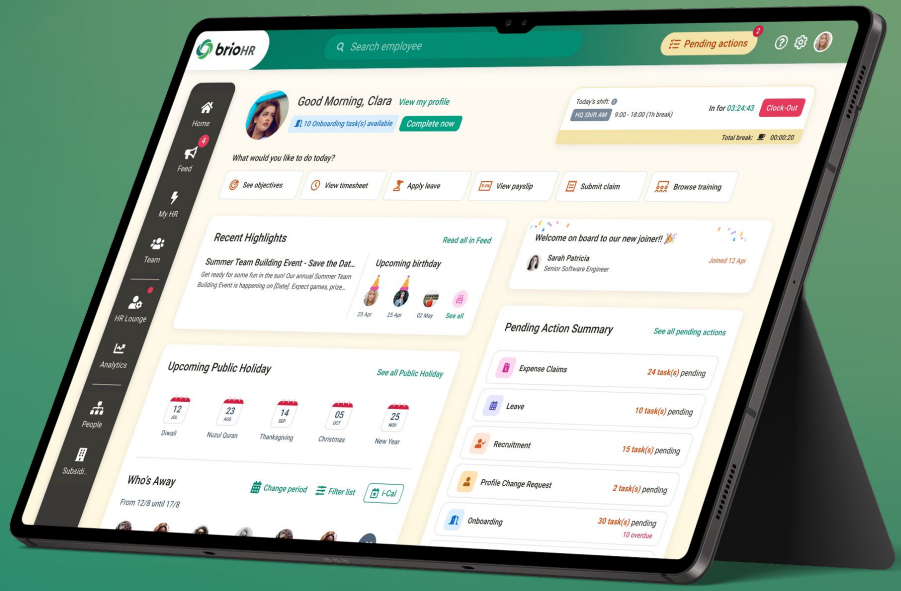
PART 3

Using Single-Sign On (SSO) to login to BrioHR account



© 2025 BrioHR Sdn. Bhd. All rights reserved. Version 2.0

What is Single-Sign On (SSO) ?

Single-Sign On (SSO) makes logging in to BrioHR faster and more secure With SSO, you don't need to remember a separate password for BrioHR. Instead, you log in with the same email and password you already use for your company's Google, Microsoft, or Okta account.

BrioHR currently supports SSO through:

- **Google** (Gmail or Google Workspace)
- **Microsoft** (Outlook or Office 365 accounts)
- **Okta** (Enterprise identity provider)

Open the BrioHR login page here.

You can use SSO login for BrioHR web browser account and BrioHR mobile app.
